HGC Meets Your End-to-End Needs during Typhoon Period

Hong Kong, 15 September, 2018 - HGC Global Communications Limited (HGC), as a leading operator in managing mission critical operations, has established both precautionary measures and crisis management processes to manage risks such as typhoons.

According to the Hong Kong Observatory, Super Typhoon Mangkhut is expected to hit the South China Sea very soon. Weather authorities describe it as potentially one of the strongest ever to reach Hong Kong.

In times of typhoon, customers are assured that HGC will do everything possible to keep network running and make necessary arrangements locally and internationally to resume service at the fastest possible time in case of uncontrollable events.

With best-of-breed talents and a dedicated professional team to serve you, HGC is confident that we can meet all your telecommunication needs in all weather conditions.

Please do not hesitate to contact us for assistance during the typhoon period.
For further enquiries, please contact your account manager.

About HGC Global Communications Limited

HGC Global Communications Limited (HGC) is a leading Hong Kong and international fixed-line operator. The company owns an extensive network and infrastructure in Hong Kong and overseas and provides various kinds of services. It provides telecom infrastructure service to other operators and serves as a service provider to corporate and households. The company provides full-fledged telecom, data centre services, ICT solutions and broadband services for local, overseas, corporate and mass markets. HGC owns and operates an extensive fibre-optic network; four cross-border telecom routes integrated into tier-one telecom operators in mainland China and connects with hundreds of world-class international telecom operators. HGC is one of Hong Kong's largest Wi-Fi service providers, running over 29,000 Wi-Fi hotspots in Hong Kong. The company is committed to further investing and enriching its current infrastructure and, in parallel, adding on top the latest technologies and developing its infrastructure services and solutions. HGC is a portfolio company of I Squared Capital, an independent

global infrastructure investment manager focusing on energy, utilities and transport in North America, Europe and selected fast-growing economies.
